APPLICANT'S INTERVIEW SUMMARY

In a telephonic Interview of September 20, 2007, with Examiner Cantelmo, the last sentence of the specification was discussed with regard to aspects of the incorporation of references. Applicants noted that the Office had objected to the incorporation of references in the last sentence of the specification, paragraph 104. After some discussions with Examiner Cantelmo, Applicants agreed to confirm in the Response to the Office Action of August 6, 2007, it would be made clear that the incorporation by reference is intended to incorporate into the specification only those references cited in the specification as originally filed on April 12, 2004.

Discussion of claims touched on the acknowledged allowable claims of the Action.
